FOR IMMEDIATE RELEASE

## INTRODUCING THE ORIGINAL REDUCED CALORIE VODKA COCKTAIL

***...SENSATIONAL TASTE, FEWER CALORIES***

**Colorado** - August 2012 – DeJa Enterprises LLC proudly announces the introduction of the first line of Ready to Serve, Reduced Calorie Vodka Cocktails.

Recognizing the urgent need to satisfy people who love the flavor and satisfaction of a Specialty Martini but want to count calories, DeJa Enterprises developed the first full line of delicious adult beverages. Additionally, enjoying TinyTini® ensures that it is no longer necessary to search for or master complicated recipes or buy expensive exotic ingredients...they have done all the work for you!

Just Chill...Shake with Ice...and Pour

Available soon at fine stores and wherever your favorite cocktails are served, ask for it by name. The initial roll out consists of four refreshingly crisp and sensual flavors, Pear, Pomegranate, Cotton Candy and Chocolate offered in a practical and convenient recyclable 750ml size at a competitive price.

### **TinyTini®**

18% Alcohol by volume, just 35 calories per ounce ...we promise, you'll be amazed.

### **About DeJa Enterprises**

The company was founded by a woman to satisfy the need for best of class flavor but with fewer calories or fat and a sustained commitment to create contemporary innovative and appealing spirit-based adult beverages in the U.S.A. offering consumers guilt-free indulgence and delicious alternatives.
